**Attachments:** Summer 08.doc

Hi all,

Enclosed is the new general lab safety schedule for the summer 2008. Please notice that all the classes for June will be held in **Conte Polymer room A110** to accommodate the REU and RET groups of undergraduates and HS teachers coming on campus. There will be room for other newcomers to the labs, please call EHS 5-2682 for available space.

Thank you for your help in disseminating this information to all new researchers entering labs. Have a fun summer!
